

Exclusive design villa with stunning views of the sea and mountains

REF: S190

The modern architecture, large rooms and the special location in Colonia de Sant Pere, near the port and on the large corner lot overlooking the bay of Alcudia, the fields and the mountain scenery of Sierra Llevant make this property so attractive. On the top floor are the living-dining area, the separate kitchen, the guest toilet, two bedrooms, a bathroom. All rooms have access to the various terraces from which you can also access the roof terrace. On the first floor, high-rise is the guest area,...
