Beautiful finca with natural pool in Capdepera

This beautiful Finca with a house built in 2008, on a plot of 6,900 sm between Capdepera, Artá and Son Servera. The house is lined with stone and surrounded by an extensive garden with fruit trees and olive trees. The house is divided into ground floor and basement. The ground floor with a useful area of 162 sm is composed of a large and bright living room with fireplace, large dining room to a fully furnished kitchen and equipped with large store, at the entrance we find a toilet and a clothes guard, the house has 3 double rooms and 2 complete bathrooms (1 en suite). In basement with 70 m², we have the garage and a large room with its own bathroom with shower and the room where we find the boiler and accumulator. In the exterior we find a porch at the entrance and another porch in the living room area with 13 m², an upper terrace of 20 m². It has its own water well and has 2 water storage tanks, 1 for drinking water and 1 for irrigation. The whole house has underfloor heating and the exterior windows are Climalit with double glazing. The Finca is complemented by a natural stone pool....
