

Great Townhouse with integral reform in Son Servera

REF: S180

Located in the center of town, in an excellent location, we find this great house with a lot of character to reform. Our Promoter realizes the Project and the execution of the integral reform leaving the finished house to enter to live, without stopping being an authentic house of Town. On a total plot of 260 sqm we find this house with 180 m2, modern, with character and with all amenities, while still having the essence of a town house, consist of ground floor and first floor, as well as a basement: Ground...
